

Hillsong **UNITED** June 17 • 7:00 PM

HILLSONG UNITED "WELCOMEZION" Tour presented by Premier Productions is coming to Target Center.

UNITED is a worship band that originally rose out of the youth ministry of Hillsong Church in Sydney, Australia. This progressive worship band is a global recording and touring entity sent out to share the ever-evolving worship music of Hillsong Church to an international audience through live performances and records. **UNITED** desires to see a generation across the earth awakened to real love, rising up with hearts as one and finding value in the broken, hurting and lost connecting with Jesus.

The band's latest released album, *Zion*, is a collection of songs that takes the listener to the core of passionate and uncluttered worship, where intensity intersects with intimacy.
